

New home loans save Indianapolis homeowners thousands of dollars

Indianapolis – Because interest rates have dropped so dramatically over the past year, numerous home owners can now lower their monthly house payment, saving thousands of dollars in interest each year. There are 134 home loans now available for \$200,000 to \$400,000 homes. And Jones Mortgage Group is sponsoring a free 24-hour Consumer Awareness Hotline that explains different home refinancing options available in Indianapolis.
